

When aging and illness lead to decisions about care, will your family be ready?

Join us for a free community showing of Being Mortal, an acclaimed PBS FRONTLINE documentary exploring how patients, families, & doctors navigate aging & end-of-life care.

Light snacks will be served.

Thursday, October 22 · 3PM

BRIDGINGLIFE
Compassionate care for life's transitions

Following the film, stay for a discussion on how to begin these conversations with your family, led by Carlos Gravera, assistant vice president at BridgingLife, and a panel of healthcare experts.
